Assistant Professor Min-Yeh Tsai  
Department of Chemistry,  
Tamkang University

Subject: Invitation for Invited Speaker of ANSCSE-23, 2019

Dear Assistant Professor Min-Yeh Tsai,

Faculty of Science, Chiang Mai University, Computational Science and Engineering Association (CSEA) and National e-Science Infrastructure Consortium are proudly to host the 23<sup>rd</sup> International Annual Symposium on Computational Science and Engineering (ANSCSE23). **ANSCSE23** will take place at Department of Chemistry, Faculty of Science, Chiang Mai University, Chiang Mai, Thailand during **June 27-29, 2019**. This conference and workshop is also to celebrate our 55<sup>th</sup> year of Faculty of Science.

For more information, please visit: <http://anscse23.ccl-cmu.com/>

On the behalf of scientific committee, we would like to invite you to be **International Scientific Committee and Invited Speaker** for the session "Computational Biology, Bioinformatics, Biochemistry, and Biophysics (BIO)". If you agree, please kindly reply this message and we would like to have your photo and tentative title of your talk to promote our conference.

As a part of the organizing committee, we would like to offer:

1. Conference registration fee waive
2. All conference social activities (including banquet and excursion)

We believe that your experience shared during the conference will be very fruitful for our participants and this would be a great honor for us all. We are now looking forward to hearing from you soon.

Yours sincerely,

(Nawee Kungwan)  
Chairman of Organizing Committee
