Dear Joseph,

Given your expertise in this area, we would appreciate if you can review the following paper.

Pricing of Package Tours in Tour Industry under Supply Chains
by Choong Young Jung and Jun Jae Lee

for Journal of Industrial and Management Optimization.

You can view the article and accept or decline the referee request by clicking on the following link. If you cannot referee this article, perhaps you could suggest an alternate.

<https://ef.msp.org/refconf.php?rr=167176&s=699775B8DD>

If you are willing to referee the article, please indicate an approximate timeframe for your report. Normally, we like to have a report back within 2 months (proportionally longer for articles of more than 25 pages). If possible, please send your report in PDF, but other formats like TeX, Word and plain text are also accepted.

We would like you to consider acceptance only if, in your opinion, the article contains substantial and interesting new results. The number of submissions to JIMO continues to increase and we would like to publish only articles of very high quality.

When you are finished, please upload your report to

<https://ef.msp.org/refrep.php?rr=167176&s=699775B8DD>

Thank you for refereeing for Journal of Industrial and Management Optimization.

Sincerely,
Bertrand (林妙聰)
Associate Editor, Journal of Industrial and Operations Management
Professor, Institute of Information Management
