Hi Elizabeth,

I've completed the review but I don't know where to upload it. (Please refer to the attachment for the review) Actually, I still don't think the manuscript is suitable for Gene so I recommend a rejection.

Best wishes, Joseph

Dear Joseph,

Thank you very much for your reminder. I'm so sorry that the manuscript is wrong. The correct one is attached.

Thank you again for agreeing to review this manuscript. We look forward to receiving your valuable comments.

Kind regards, Elizabeth

Dear Elizabeth,

Apparently the manuscript is totally different from the abstract. The authors should make sure that they submit the right one to the journal.

Best, Joseph

Dear Dr. Lin,

Many thanks for your suggestions on this manuscript. We appreciate your contribution for the journal very much. Could you please kindly provide some detailed suggestions on the manuscript to support your decision? We are not asking you to say something bad about the paper, but just want you to comment on the paper in detail. As the journal will grant review vouchers according to the quality and efficiency of the review report, please send me your detailed suggestions by replying this email within 1 day. We will upload your valuable comments on the system on your behalf.

In case you have any inquiries, please feel free to contact me. Hope to hear from you soon again.

Best wishes, Elizabeth

Dear Dr. Lin,

A short note to thank you very much for your review of the following manuscript:

Manuscript ID: genes-1325438 Title: A study of healthcare associated infections in the Intensive Care Unit of "Federico II" University Hospital through Logistic Regression Authors: Emma Emma Montella, Teresa Angela Trunfio *, Umberto Armonia, Clotilde De Marco, Martina Profeta, Maria Triassi, Giovanni Improta

If we decide to ask the authors for revisions, we will send you the revised version soon. To help us improve our services, we kindly ask you to fill in our online survey on the peer-review process at <https://www.surveymonkey.com/r/reviewerfeedbackmdpi>

We encourage you to register an account on our submission system and bind your ORCID account (<https://susy.mdpi.com/user/edit>).

You are able to deposit the review activity to your ORCID account manually via the below link: <https://susy.mdpi.com/user/reviewer/status/finished>

We also invite you to contribute to Encyclopedia (<https://encyclopedia.pub>), a scholarly platform providing accurate information about the latest research results. You can adapt parts of your paper to provide valuable reference information for others in the field.

Kind regards,

Ms. Elizabeth Zhou E-Mail: elizabeth.zhou@mdpi.com <<mailto:elizabeth.zhou@mdpi.com>> <<mailto:elizabeth.zhou@mdpi.com> <<mailto:elizabeth.zhou@mdpi.com>>>
