Dear Dr. Chuang-Chieh Lin,

On behalf of the Editorial Board of Special Issue on Technologies and Applications of Artificial Intelligence, I would like to invite you, as suggested by one of our editors, Professor Hung, Chih-Chieh, to review the manuscript below, which has been submitted to the Journal for a possible publication. Among those papers that had gone through the review process, about 15% were accepted in the past year.

If you accept to review it please return your comments by the deadline 2023-06-07.
If you can't review the submission, I would appreciate that if you could suggest alternative reviewers.

I look forward to your prompt response. Thank you.

Please click on the following URL to accept/decline this invitation.
